§§ 359.12–359.19 [Reserved]

Subpart C [Reserved]

Subpart D—How Does the Secretary Make a Grant?

§ 359.30 How is peer review conducted under this program?

Peer review is conducted under this program in accordance with 34 CFR 350.30–350.32, using the selection criteria in § 359.31.

(Authority: Sec. 202(e); 29 U.S.C. 761a(e))

§ 359.31 What selection criteria does the Secretary use in reviewing applications under this program?

The Secretary uses the criteria in this section to evaluate applications under this program. The maximum score for all the criteria is 100 points.

(a) *Project design* (20 points). The Secretary reviews each application to determine to what degree—

(1) There is a clear description of how the objectives of the project relate to the purpose of the program;

(2) The research is likely to produce new and useful information;

(3) The need and target population are adequately defined;

(4) The outcomes are likely to benefit the defined target population;

(5) The research hypotheses are sound; and

(6) The research methodology is sound in the sample design and selection, the data collection plan, the measurement instruments, and the data analysis plan.

(b) *Service comprehensiveness* (20 points). The Secretary reviews each application to determine to what degree—

(1) The services to be provided within the project are comprehensive in scope, and include emergency medical services, intensive and acute medical care, rehabilitation management, psychosocial and community reintegration, and follow up;

(2) A broad range of vocational and other rehabilitation services will be available to severely handicapped individuals within the project; and

(3) Services will be coordinated with those services provided by other appropriate community resources.

(c) *Plan of operation* (15 points). The Secretary reviews each application to determine to what degree—

(1) There is an effective plan of operation that ensures proper and efficient administration of the project;

(2) The applicant's planned use of its resources and personnel is likely to achieve each objective;

(3) Collaboration between institutions, if proposed, is likely to be effective; and

(4) There is a clear description of how the applicant will include eligible project participants who have been traditionally underrepresented, such as—

(i) Members of racial or ethnic minority groups;

(ii) Women;

(iii) Individuals with disabilities; and

(iv) The elderly.
